

GLOBAL DAILY FANTASY SPORTS INC

FACT SHEET • MARCH 2019

ABOUT GDFS

Global Daily Fantasy Sports Inc. or “GDFS” is a Canadian technology company bringing innovation to the global sports betting market.

GDFS has introduced a fully functional, highly customizable daily fantasy product and platform to licensed sports betting brands globally.

B2B BUSINESS MODEL

Introducing an innovative bolt-on Daily Fantasy Sports product and platform to mature, regulated markets around the world.

- A true B2B DFS platform and network
- Monetizing growth in daily fantasy sports outside of North America
- Turnkey solution with managed services for ease of access and seamless integration
- Innovative sports betting content designed to acquire, engage and rejuvenate customer databases
- Skill based social gaming targeting a younger audience/millennial
- B2B network mitigates player acquisition expenses

RECURRING REVENUE

- 1 SET-UP**
One-time customization and branding fee
- 2 MONTHLY MANAGED SERVICES:**
Tech support hosting, stats feed, contest management
- 3 LICENSING:**
Contest revenue sharing
